

# Alias States

for piano and electronic drumkit

Olly Sellwood  
2019

*for Siwan Rhys and George Barton*

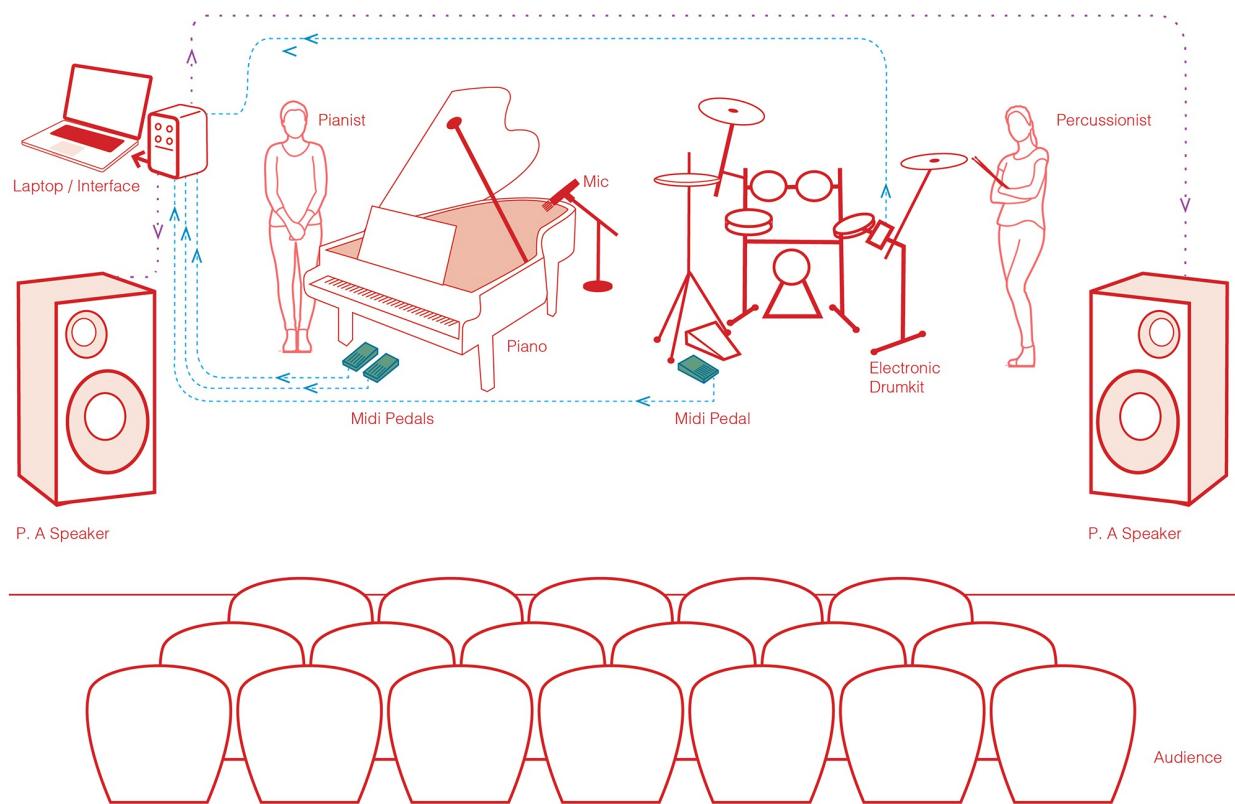

## Technical Information

Equipment:

- > Grand piano
- > Electronic drum kit [kick, snare, hi-hat, hi-hat pedal, two rack toms, floor tom, two crashes]. The rim of the snare must be able to send a separate MIDI note.
- > PA system with two speakers
- > Laptop running Ableton Live 9 Suite. Patch available here:  
[https://www.dropbox.com/sh/9uzg3pru19ykzt/AAC\\_cOSFpr7sihqC5dJywGM9a?dl=0](https://www.dropbox.com/sh/9uzg3pru19ykzt/AAC_cOSFpr7sihqC5dJywGM9a?dl=0)
- > Audio/MIDI interface
- > MIDI lead
- > 3 Keyboard sustain pedals capable of outputting MIDI data
- > Drum sticks
- > Microphone for the piano and optional volume pedal

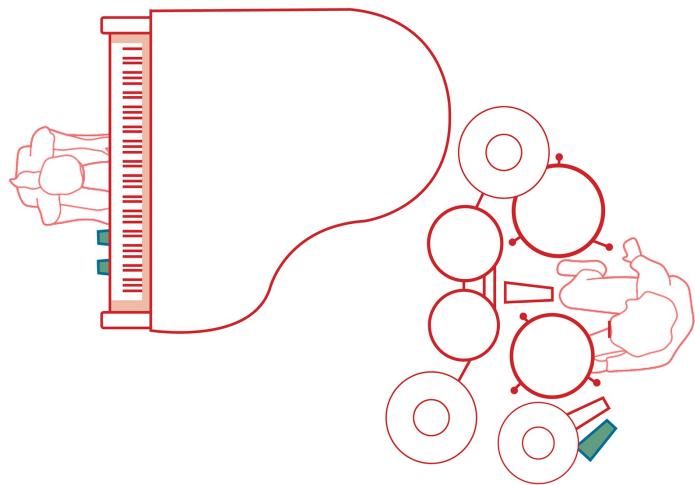

## Set-up Information

- 1) Assemble the electronic drumkit and plug the MIDI cable from the MIDI out of the drum module to the MIDI in of the audio/MIDI interface.
- 2) Test that Ableton can read the incoming MIDI messages.
- 3) In Ableton's audio preferences set the buffer size to a suitable setting to avoid any latency.
- 4) In Ableton, arm all the tracks.
- 5) Make sure that the outputted MIDI notes from each pad (via the drum module) match with the notes in each drum channel in Ableton. If not change the MIDI notes via the drum module, not Ableton.
- 6) You may need to adjust the sensitivity and threshold parameters of the pads. Do this via the drum module.
- 7) Plug the keyboard sustain pedals into the audio interface. This may require a separate interface to convert the data into MIDI data.
- 8) Plug the output of the audio/MIDI interface into the PA system and adjust the volume between the individual pads, which should be all equal, and then balance the electronic drumkit with the acoustic piano, which should also be equal.

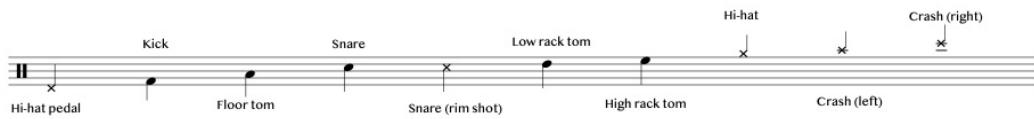

## Stage Set-up

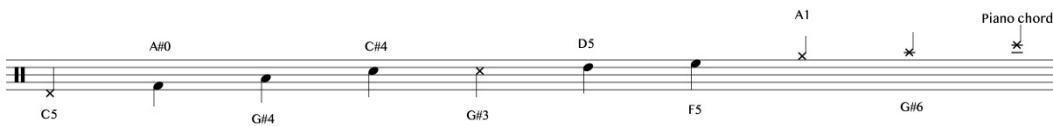

- > Place the PA speakers on stands, one either side of the instruments.
- > Place a microphone in the piano, this can be set up so a sound engineer adjusts the sound or the pianist can do so through a volume pedal.
- > The electronic drum module has a volume dial on it and should be set at 75% at the beginning of the piece, this is then turned up to 100% at Rehearsal Mark 7.
- > Open the piano lid fully or remove the lid. Place the laptop behind the piano and out of sight of the audience.

## Drum Notation Key

These are the piano notes that are assigned to each electronic drum pad:

## Performance Information

The piano player plays the grand piano and activates two arpeggiated notes via the two extra keyboard sustain pedals, which are placed next to the other piano pedals. The first arpeggiator (top line) is on C#4. The second arpeggiator (bottom line) is on E5. Both arpeggiators are velocity sensitive.

The percussionist plays the electronic drumkit and, additionally, a piano sustain pedal. Each drum pad has a piano note assigned to it.

The sustain pedal triggers a longer piano sample.

All of the notes and the sample are velocity sensitive; the harder they are hit (or depressed), the louder the note/sample sounds.

*Ped.*

This musical score consists of two staves. The top staff is for the Piano (Pno.), showing a treble clef, an 8th note time signature, and a key signature of one sharp. It features a continuous sequence of eighth-note chords and grace notes. The bottom staff is for the Electric Drum (E. Dr.), showing a bass clef and a common time signature. It features a continuous sequence of sixteenth-note patterns with various rhythmic markings like asterisks (\*), crosses (x), and dots (.) under the notes. A pedal marking (*Ped.*) is present below the drum staff.

Pno.

E. Dr.

*Ped.*

This musical score consists of two staves. The top staff is for the Piano (Pno.), showing a treble clef, an 8th note time signature, and a key signature of one sharp. It features a melodic line with eighth-note pairs and grace notes. The bottom staff is for the Electric Drum (E. Dr.), showing a bass clef and a common time signature. It features a continuous sequence of sixteenth-note patterns with various rhythmic markings like asterisks (\*), crosses (x), and dots (.) under the notes. A pedal marking (*Ped.*) is present below the drum staff.

167

Pno.

Ped.

E. Dr.

This musical score consists of three staves. The top staff is for the Piano (Pno.), showing a treble clef, an 8th note time signature, and a key signature of one sharp. It features a melodic line with eighth-note pairs and grace notes. The middle staff is for the Pedal (Ped.), showing a bass clef and a common time signature. It features sustained notes with a long horizontal line and a pedal symbol. The bottom staff is for the Electric Drum (E. Dr.), showing a bass clef and a common time signature. It features a continuous sequence of sixteenth-note patterns with various rhythmic markings like asterisks (\*), crosses (x), and dots (.) under the notes. A bracket is positioned under the piano and electric drum staves.

170

Pno.

Pno. (Treble and Bass staves) and Pedal (Bass staff) are silent. The Electric Drum (E. Dr.) plays eighth-note patterns with 'x' marks. A dynamic ff is indicated at the end of the measure.

E. Dr.

**9**

173

Pno.

Pno. (Treble and Bass staves) plays sixteenth-note patterns with '3' over them. A dynamic ff 3 is indicated. The Electric Drum (E. Dr.) plays eighth-note patterns with 'x' and '3' markings. Pedal (Ped.) is sustained with a dynamic ff.

E. Dr.

Ped.

176

Pno.

Pno. (Treble and Bass staves) plays sixteenth-note patterns with '3' over them. The Electric Drum (E. Dr.) plays eighth-note patterns with '3' markings.

E. Dr.

Measure 188 consists of four measures. The piano part has a single eighth note in each measure. The electric drum part features a continuous pattern of eighth notes with 'x' and '3' markings below them. Measures 189-191 show sustained notes on the piano with grace notes above, and the electric drum part continues its eighth-note pattern.

**10** Piano to full volume

192

Pno. Ped.

E. Dr.

Measure 192 starts with a piano eighth note followed by a dynamic ff. The electric drum part begins with a sustained note and then shifts to a sixteenth-note pattern with 'ff 3' markings. A pedal marking 'Ped.' with ff is placed under the electric drum staff.

196

Pno. Ped.

E. Dr.

Measure 196 shows the piano playing eighth-note chords and the electric drum part continuing its sixteenth-note pattern with '3' markings. A pedal marking 'Ped.' is placed under the electric drum staff.
